INSTRUCTIONS

GENERAL INFORMATION

Who is required to file this Certification?

Every Non-Participating Manufacturer that intends to sell cigarettes in the Commonwealth, whether directly or through any distributor, retailer, or similar intermediary. (Participating manufacturers must file a different form - TES-005)

Due to current Pennsylvania tax statutes, Roll-Your-Own (RYO) Tobacco Manufacturers are not required to file a certification at this time.

How is this certification used?

The Office of Attorney General uses the information provided in the certification to determine whether a tobacco product manufacturer's brand(s) should be included in the directory published pursuant to section 301 of the Tobacco Product Manufacturer Directory Act (TPMDA), 35 P.S. § 5702.301. If a cigarette brand is not listed on the directory, it cannot be sold in Pennsylvania.

Who should sign the certification?

The certification must be reviewed and signed by a director or officer of the Tobacco Product Manufacturer (TPM) with the authority to bind the company. A Power of Attorney will not be accepted.

When must an initial certification be filed?

A manufacturer that wants to start selling its cigarettes in Pennsylvania must file an initial certification prior to any sales in the Commonwealth. An initial certification may be submitted any time during the calendar year. Sales cannot commence until the initial certification is approved.

When must an annual certification be filed?

With one exception (see below), every manufacturer appearing on the Directory must file an annual certification. The certification must be filed between April 15 and April 30. It cannot be executed (signed) before April 15.

The only exception is for companies that are actively filing quarterly reports. Companies with quarterly requirements that have NOT yet had sales in Pennsylvania ARE required to file annual certifications.

When must a quarterly certification be filed?

After the Initial Certification has been approved, a Non-Participating Manufacturer must file quarterly certifications for the first twelve months of sales in Pennsylvania. Also, you must secure a Pennsylvania licensed distributor and initiate sales within six months of approval. Failure to do so may result in removal from the Directory.

A Non-Participating manufacturer may also be required to file quarterly certifications under the terms of an Assurance of Voluntary Compliance (AVC).

The certification for sales in the first calendar quarter is due May 15, the certification for sales in the second calendar quarter is due August 15, the certification for sales in the third calendar

quarter is due November 15, and the certification for sales in the fourth calendar quarter is due February 15 of the following year.

When must a supplemental certification be filed?

A manufacturer must file a supplemental certification when there is a change in any of the information that it has provided in its most recent certification. Changes include, but are not limited to, additions or deletions of a brand family, changes in contact information, addresses, company organization/ownership, escrow information, registered agent, and/or packaging.

When must I make my escrow payment?

Non-Participating Manufacturers whose products have previously been sold in the Commonwealth must deposit all required escrow payments into a qualified escrow account annually on or before April 15 of each year, unless subject to an AVC, in which case the requirements of that agreement should be followed.

New Non-Participating Manufacturers must make quarterly deposits as set forth below:

The deposit for sales in the first calendar quarter is due May 15th

The deposit for sales in the second calendar quarter is due August 15th

The deposit for sales in the third calendar quarter is due November 15th, and

The deposit for sales in the fourth calendar quarter is due February 15th of the following year.

When must packaging be submitted?

A manufacturer is required to provide sample packages or color photos (CDs preferred) showing all sides of the packs when submitting its initial certification.

New packaging is also required when a manufacturer wishes to add a new brand family, or changes the packaging of an existing brand family or wishes to use a special or limited edition packaging. Please remove cigarettes from packs prior to submission.

Also provide the company web address. Identify the name and title of the person completing the certification form. If using an outside agency to complete this certification, please identify the name of that agency.

In the blocks provided, supply the Manufacturer and / or Importer's information where applicable. Be sure to indicate N/A where not applicable. Do not leave any fields blank, as this will cause the certification to be rejected and returned.

You must indicate whether this is an annual, supplemental, quarterly, or initial certification by checking one of the blocks.

Initial Certification questions should be completed by companies not currently included on the Pennsylvania Directory.

Part II: General Questions

Answer the questions by checking yes or no or N/A. Supply detailed explanations when indicated. Attach required documentation and check applicable boxes.

Part III: Brand Family Identification

Section A - Identify by brand and style all of the cigarettes that you intend to sell in Pennsylvania whether directly or through any distributor, retailer, or similar intermediary.

Provide sample packages (remove cigarettes) or color photos (CDs preferred) showing all sides of the packs for the brand families identified. If designs vary significantly within a brand family, submit examples of the different packages. Submit new packages or color photos each time you change your packaging or add new brand styles or create a special, limited edition package. When in doubt about packaging submission, please contact our Office for clarification.

Check the box if previously supplied packaging has not changed and no specialty packaging will be used in the certification year.

Section B - Identify the brands and styles that you have discontinued selling in Pennsylvania and wish to remove from your Directory listing. We recommend waiting a sufficient amount of time before delisting a brand to allow retailers time to clear their inventories.

Section C - Identify by brand and style the brands, not currently on the directory, that you wish to add to your Directory listing. Only brands in compliance with FDA regulations are eligible for listing.

Please provide sample packages (remove cigarettes) or color photos (CDs preferred) showing all sides of the packs for the brand families identified.

If a brand family has been manufactured by more than one manufacturer, on a separate sheet of paper provide the name and address of every other tobacco product manufacturer and the dates the brand was manufactured by each manufacturer.

Section D - On the table provided, identify by Brand Family all of the following:

- a) the name of each brand family (identify with an asterisk any brands that are no longer being sold);
- b) the name of every Pennsylvania licensed Cigarette Stamping Agent for that brand family; and,
- c) the number of sticks sold to that Cigarette Stamping Agent.

The completion of this table requires you to obtain the information from your Cigarette Stamping Agents.

If a brand family has ever been manufactured by more than one manufacturer, on a separate sheet of paper provide the name and address of every other tobacco product manufacturer and the dates the brand was manufactured by each manufacturer.

Part IV: Residency Status

Unless your company is based in Pennsylvania, you must appoint an agent for service of process and provide the Attorney General with proof of that appointment. You must provide the agent's name, address, telephone number and fax number. In addition, you must attach proof of the appointment and availability of the agent for the current year.

Part V: Escrow Account Information

See the definition of "qualified escrow fund" in these instructions. A copy of Pennsylvania's Model Escrow Agreement form can be obtained by calling our Office. Any variation from the model escrow agreement may delay approval of your certification.

If you plan on changing any aspect of a previously approved escrow agreement, e.g. a change in financial institutions, you must first contact this Office. Once an escrow agreement has been approved you cannot change it without prior approval of this Office. This Office reserves the right to reject any revisions which have not been approved in advance.

Section A – Financial Institution

Provide a dollar amount of each transaction and a running balance of the amount in the account.

Attach a bank statement and proof of deposit showing the most recent deposit and the current balance.

Part VI: Execution by Corporate Officer or Director

The Tobacco Product Manufacturer must certify that it is a Non-Participating Manufacturer in full compliance with the Tobacco Settlement Agreement Act that is a resident in the Commonwealth (or has appointed a registered agent for service of process), that has established and continuously maintains a qualified escrow fund, and that has executed a qualified escrow agreement approved by the Attorney General.
